SPECTRA LLC is a professional, strong, committed team with long experience in providing the power and the variety of Information Technology & Electrical Engineering Solutions along with world-class products and outstanding services.

Business in a brand-new way

Information Technology Department

Our aim in IT Department is to focus on the best Personal Computers brands such as **Apple, Lenovo, Dell & HP** for consumers and business applications as well as **Professional Solutions** built on Apple Mac's, such as *Graphic Design, Desktop Publishing, Workflows, Pre-press, Post-Production, Broadcast & Professional Video equipment, Storage and archiving solutions, etc....* along with several reputable brands.

Electrical Engineering Department

Rooted in more 25Years of operations throughout Syria as engineering company operated under the name (General Engineering Co) until 2013 when it resumed operations as independent company and merged with Spectra LLC, retained much of this accumulated experience and expertise and provides advanced Electrical Services to major private and institutional clients nationwide.

Our first commitment is Customer, by continually providing him with high quality, high-class products, by stretching the possibilities in seamlessly integrated tools, and by meeting his needs and expectations with impeccable services.

Spectra LLC believe that people make all the difference, and that the first step to an outstanding professional work is Know-how, Expertise and Good Relationship with the Customer.

IT Department

Products and represented companies:

Apple inc.

A well known **IT** Manufacturer, leader in providing **High-Quality products** for Consumers as well as professionals worldwide:

- Professional Computers
- Stand alone Computers
- Laptops
- iPhone & Accessories
- iPad & Accessories
- Computer Accessories (For Mac, iPad & iPhone)
- Software (For Mac, iPad & iPhone)

Eizo Corporation

A leading global manufacturer of **High-Quality visual display products** with a wide range of LCD monitors.

- Color Management LCD monitors for Graphic Art, Video Post-Production and Prepress
- Professional LCD monitors for Business, Planning & Engineering
- Professional LCD Monitors for PC-Less-Surveillance & Control Systems
- Medical LCD Monitors Solutions for Diagnosis & Clinical Review
- Medical Operating Room Solutions

G-Technology Inc. (G-Tech)

A leading manufacturer provides innovative **storage products and solutions for Macs and PCs:**

- Portable Hard Drives
- Desk Top Direct Attached Storage /DAS
- Network Attached Storage / NAS

Microtek

Producing innovative scanning solutions for over two decades and still continues to make technology breakthroughs in scanning solutions.

- A4 and A3 Color scanners (Reflective & Transparent)
- A4 Document Scanners
- Medical Application Scanners (Radiology&Bio-Laboratory)

BlackMagic Design

A leading manufacturer provides Digital Video, Color Grading & Broadcasting products to the professional broadcast and post-production markets.

ARRI

A leading manufacturer provides Cinematography Camera's & accessories

Canon

A leading manufacturer provides, Photography, Cinematography Camera's & accessories.

Layout International

Arabic Software for

- Professional Desktop Publishing & News Workflows
- News Management Systems
- Digital Assets Management Systems / Archiving Systems

Dell, Lenovo & HP

PC Desktops & Laptops to fulfill the customer need with affordable, hi-quality products as well as for professional Hybrid Systems.

Provided IT Solutions

Spectra LLC offers a complete Systems Integration service with Turn-Key solutions for complete system design, integration, consultation and professional services for:

- Business infrastructure & environment (Computers, Networking & Applications)
- Professional Digital Cinema and Video Systems
- Video Postproduction & Color Grading Systems
- Broadcasting & Streaming Systems
- Graphic Art Design Systems
- Desktop Publishing and Prepress systems
- Color Calibration and workflows
- Newspapers & magazines Workflow Solutions
- Archiving systems / Digital Assets Management Systems
- Storage Solutions
- Medical Operating Room Solutions
- Medical Monitors Solutions
- Security & Surveillance

Electrical Engineering Department

Power Engineering Experience

With more than 25 Years of experience in providing Power Engineering solutions; consultancy, design, execution and supervision on all types of projects: residential, commercial, public, educational, medical and industrial. We are focusing on providing our clients with international compliant design standards, access to the worlds most reputed suppliers and a local know-how to execute high integrated electrical projects in time.

For the purpose, we teamed up with great companies such as Legrand, ABB, Siemens, Klockner-Muller and others.

Provided Solutions and Expertise

Over the years our team accumulated extensive and state of the art expertise in the engineering, planning, procurement and execution of the following electrical systems:

- Electrical distribution and industrial control products as well as their applications in the industrial market (power supply Electric Panels, Power cables, lighting, Earthing system, and lightning protection.
- Good knowledge of TCPE products (Low voltage, fire alarm, Sound systems, CCTV, Security systems, Telephone, access control, optical fiber.
- Good experience in preparing technical offers, and specifications- Analyze all the documents (plans and specifications) related to the project in order to produce budget estimates and / or 'design & built' for the disciplines: electrical panels, power cables, Lighting and fire alarm, TCPE (CCTV, access control, Tel. Data..) and control.
- Manage project documentation: (plans, specifications, list of materials, list of drawings, workshop).
- Perform engineering calculations necessary to support the selection / recommendation of product.

Solar Energy Systems

Now Spectra LLC is looking for a bright future in the Solar Business and has prepared the team with the collaboration of high qualified engineers and technicians to provide complete design, integration, consultation and Turn-Key Solar Energy Solutions in several domains in the market place; Residential, Commercial, industrial, Educational, Medical & Public

Solar Energy Systems products:

Osda Solar

A high-tech enterprise specializing in R&D, production and sales of **photovoltaic products**, such as solar modules, silicon rods, cells, etc., as well as the investment and operation of solar power plant.

Osda PV Panels:

- PERC MonoCrystalline
- PERC PolyCrystalline
- Half-Cell Panel (Mono & Poly)
- Double Glass (Mono & Poly)

DEYE Inverters Technology Co., Ltd

Dedicated to providing complete photovoltaic power system solutions, including residential and commercial power plants solutions. Also, Deye offers the right device for each application: for all module types, for grid-connection and stand-alone grids as well hybrid inverter system, for small house systems and commercial systems in the Megawatt range. Among them;

- PV grid-connected inverter power range from 1.5-110kW
- Hybrid inverter 3kW-12kW,
- Microinverter 300W-2000W.

JYC Power Group

JYC Battery Manufacturer Co. Ltd

Through over 19 years steady development, JYC is one of the biggest battery company in designing, manufacturing and promoting.

Producing 2V, 4V, 6V, 12V, 24V, 48V series etc, with Gel battery for Solar power systems, Tubular battery for Deep cycle applications, Front Terminal series for Telecom systems.

MeriTech Power Limited,

A subsidiary corporation of JYC Battery Manufacturer Co. Ltd, which is a turnkey division of the JYC Group, focus on smart energy project and innovation pioneer.

With 21 years of energy professional experience and integrated solutions services in energy storage application, **MeriTech** is ready to provide the perfect smart power energy system solutions.

Dedicated to manufacturing and design of **LiFePO4** and lithium cells and integrated battery packs for Green Energy Storage Systems.

Focus on alternative green energy from Lead Acid battery, and offer battery solution to Solar Energy Storage System, Telecom Station 48V system, 12 or 24V Boat and RV energy systems, etc.

Spectra LLC aim to achieve any job requiring high management, technical qualifications, quality and precision.

Spectra Show Room

To meet the customer needs in Apple products; Mac's accessories & Peripherals, iPhone, iPad & Accessories.
Eizo Monitors and Microtek Scanners,
Lenovo, Dell, HP Laptops & Desktops,
Solar Energy Systems products and more.....

Customer Support & Training

Spectra LLC provide products and solutions from high-class industry standard manufacturers and with high Performance/Price rate.
Our support team mission is to ensure that products and systems provided are *smoothly, easily and perfectly functioning*.

Therefore, we are @ our Customer service to deliver:

- Systems installation and implementation.
- Complete product warranty against manufacturing defects.
- After-sales service
- Preventive maintenance
- On-call support & maintenance
- System-upgrade services.
- Readiness for service contracts
- Integrated Training Programs covering all provided products and solutions.

We believe that the relationship with our Customer starts after purchasing, and we work hard to keep it for a long time.

Company Structure

Spectra LLC is a Limited Liability Company established in 2007.

Managers & Business Associates:

Rana Al Assaad: Partner / General Manager

Rafi Yacoubian: Partner

Ikram Sakkal: Partner
